EXECUTIVE ORDER

Pursuant to the Declaration of Emergency, and for the reasons stated therein, it is hereby ORDERED as follows:

Unless modified, until April 10, 2020, the following requirements shall be in effect:

1. All restaurants, coffee shops, and other places where food is offered to the public shall be limited to take out, drive thru, or delivery. All on premises dining is prohibited. Restaurants with a license to sell alcoholic beverages may sell such beverages with takeout orders.
2. All public assemblages, events and gatherings of ten or more persons are prohibited within the city limits. Essential retail establishments are excluded including grocery stores, discount stores, and convenience stores.
3. All bars, parks, and private social clubs are closed.

Regarding alcohol sales with carryout food orders:

All restaurants that have a license to sell alcoholic beverages may sell beer and wine in unopened containers with in-person, take-out orders. This does not include delivery.

This directive is intended to suspend city enforcement of city ordinances and state law prohibiting certain alcoholic beverages being sold with carryout food purchase. The City has no control of state enforcement of state laws.

IT IS HEREBY ORDERED this 23rd day of March, 2020.
